We will present the honorees of our Named Gifts to AAUW Funds and we will celebrate the long time membership of two very exceptional women who have contributed so much to our branch: our newest 50-year members, Clare Newman and June Carol Sandidge. We will also honor our newest members and their sponsors.

We will pay tribute to our recently deceased members, Lynn Eckman and Diana Goodhart.

As with our Annual Meeting, we will conduct a raffle that will provide not only the national dues for one more lucky member, but also the \$1 contribution will go into the 50/50 pot. Our branch will use its share of those proceeds to help members pay dues.

Branch Adds 50-year Honorary Life Members

Clare Newman and **June Carol Sandidge**, both stalwarts of our annual book sale, will be recognized at the May meeting as 50-year Life Members

Clare comes from a family rich in the history of higher education, particularly for women. Her great aunt went to college at the turn of the century and majored in China Painting and Music. This served her well as she taught Music and painted china the rest of her life. Her grandmother and mother went to the University of Chicago, at a time when women were usually sent to "normal" schools to become teachers. They both majored and graduated with degrees in Geography. Not your typical college path for women at that time. Clare continued that path by majoring in Geography for both a BA and MS at Northwestern. All three women joined AAUW upon graduation.

Clare became active in the Staunton (VA) Branch moving there for her first teaching job after college. She became treasurer and Fellowships Chair of the Branch. At the Roanoke Valley Branch she worked on the Art Show with others including Laura Wimmer until the demise of the Show which was held for 50 years. She also worked on the Book Sale since its inception 46 years ago and this continues. She judges the Science Fair for AAUW for the City Schools and the Western Virginia Regional Finals. She is an active member of the Morning and Evening Book Groups and has been known to do a review once in a while.

Clare says that her main reason for her life-long support for AAUW is to carry on the mission of empowering women by offering grants and fellowships at the graduate level so that women can make a difference. AAUW is made up of thousands of women like

Book Sale Update-Spring is Here!

We have been "Spring Cleaning" at the HQ Space at Tanglewood Mall. Due to the diligent hard work of many Members to pack up books and clear shelves, we have sold our remainders to a wholesaler. You will certainly notice their efforts when you come to the next Program meeting or Book Club at the Space. We have also cleaned the walls, carpets and shelves.

Now we are ready to "Spring Forward" with the next phase of our Project. We need a new dedicated effort for our September 2012 Sale. We need all of our Members to help us get new (new to us) books to restock our shelves. Please ask your friends, families, neighbors, and other sources that you may have to assist us. We will begin collecting books in April and will have Members at the Space Tuesday, Thursday, and Saturdays to receive them from 10-4 pm We will begin sorting on Tuesday, May 15th with those same days and hours. You may call me at 890-5121 (home), 404-784-1971 (cel) or email cherihughes@gmail.com if you have a different time or have a "big" load that I need to arrange for pick-up. You may also call Clare if needed.

By working together, all Members can and will play an important part in the success of the Book Sale. At the Annual Meeting we will have an update on the plans for the Book Sale 2012.
